Dear Mr. Lakin:

The U.S. Environmental Protection Agency Region 9 staff requested that the California Air Resources Board staff provide supplemental information for California's Regional Haze State Implementation Plan Revision submitted on August 9, 2022.

This supplemental information is related to the Regional Haze Progress Report that was embedded in the California Regional Haze State Implementation Plan Revision. The attached supplemental information includes a detailed breakdown of emissions inventory data through 2017 for stationary, areawide, and mobile source sub-sectors; emissions data reported to the Clean Air Markets Program through 2019; and analyses of these supplemental emissions data.

If you have any questions regarding this supplemental information to the Regional Haze Progress Report, please contact [Sylvia Vanderspek](#), Chief, Air Quality Planning Branch at (916) 324-7163 or via email.

Sincerely,

Michael Benjamin, D. Env., Division Chief, Air Quality Planning and Science Division
